The first shot

Evidence-Based Health Discussion List

Subject: conference on teaching ebm/ websites/ sources of materials/ collaboration/ & CATs (or Pearls)

From: Martin Dawes (martin.dawes@public.health.oxford.ac.uk)

Date: 22 May 2000 - 11:28 BST

My proposal was...

Evidence-Based Health Discussion List

Possibly in **Europe**,
ideally in **Italy**,
Sicily would be fantastic!

THE ECOSYSTEM OF EVIDENCE

Global challenges for the future

9th International Conference for EBHC Teachers and Developers
8th Conference of the International Society for EBHC
Taormina, 6th-9th November 2019

The Conference will focus on the global future challenges faced by the ecosystem of evidence to connect generation, synthesis, translation and communication of evidence to individuals and populations

Ecosystem

A community of **living organisms** in conjunction with the **non-living components** of their **environment** (air, water, mineral soil), interacting as a system

#EBHC2019

The ecosystem of evidence

An ecosystem influenced by:

- **Living organisms:** stakeholders, with their competition, collaboration and conflicts of interest
- **Environment:** social, cultural, economic, political context
- **Non-living component:** evidence
