

# Effective Strategies of Changing Health Care Behaviour

Janet Martin

...on behalf of many others!

# Change Health Care Behaviour

- ◆ Getting evidence into practice
- ◆ Transferring EB skills
- ◆ Improving DM skills

# Strategies of Getting Evidence into Practice

Those that try to impart EB skills

- ◆ Teaching

Those that try to impart EB decisions

- ◆ Pre-fabricated decisions

# What has been tried: Published Strategies

| Strategy | P | I | C | O | Works?<br> |
|----------|---|---|---|---|---|
|          |   |   |   |   |   |
|          |   |   |   |   |   |

# Creating an International Repository of Strategies

[www.ebhc.org](http://www.ebhc.org)

| Name<br>email | P | I | C | O | Working?<br>Why or why not? |
|---------------|---|---|---|---|-----------------------------|
|               |   |   |   |   |                             |
|               |   |   |   |   |                             |

# Putting our heads together...

- ◆ Share ideas
- ◆ Discuss ideas
- ◆ Publish repository
- ◆ Publish matrix of evidence
- ◆ ...collaborate on international research
